5 hotel openings to look out for in 2013

By Paul Johnson on Mar 07, 2013

Despite the doom and gloom about the global economy, the luxury travel industry still seems to be holding up well and luxury hotels and resorts continue to spring up around the world. Here we've picked out 5 to look out for in 2013, from a gourmet retreat in Fiji through to a high rise hotel opening in last year's Olympic city of London.

The Remote Resort, Fiji

It doesn't get much hotter than The Remote Resort, Fiji Islands, a gourmet retreat for beach lovers perched atop the Rainbow Reef in the Fiji archipelago. Opening this year, The Remote Resort has three oceanfront villas with private plunge pools and endless turquoise views. Guests can socialize or see noone – privacy here is paramount. Snorkel or scuba dive the soft coral capital of the world, kayak to the hidden beach for a private picnic or take a cruise on the resorts 25-foot twin hull catamaran, these are some of the big decisions you'll need to make. Regardless of how much or little you do during the day, you'll still be treated to a modern South Pacific gourmet experience every evening, starting with complimentary hor d'oeuvres from the wood-fired ovens at The Remote Bar.
